

# Industrial / Academic Interest Group Meeting

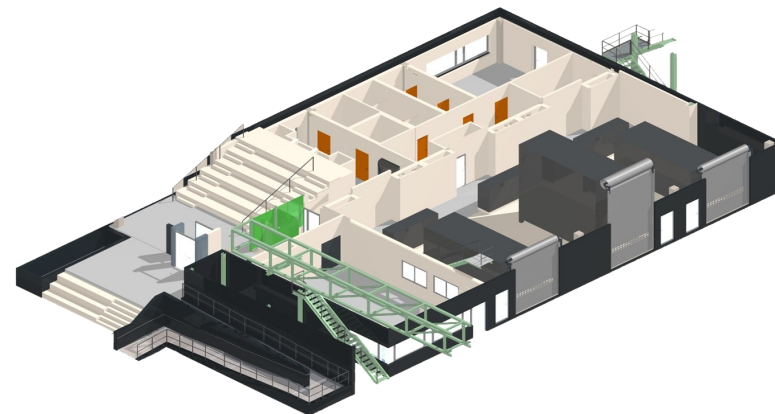

## Tuesday 15th November 2011

### ChemPark, Leverkusen, Germany

INDUSTRIAL AND ACADEMIC ORGANISATIONS ACROSS EUROPE ARE INVITED TO PARTICIPATE IN THE SECOND F<sup>3</sup> FACTORY INTEREST GROUP MEETING TAKING PLACE AT THE NEWLY OPENED INVITE RESEARCH CENTRE - CHEMPARK, LEVERKUSEN ON 15TH NOVEMBER

This is a unique opportunity for the European chemical processing community to:

- ◆ engage with industrial and academic partners in the F<sup>3</sup> Factory project
- ◆ share learning and experiences on new process intensification and process design approaches
- ◆ gain access to generic knowledge and know-how for the design of modularised production containers
- ◆ provide input to the standardisation and automation methodology required to support widespread implementation of the F<sup>3</sup> Factory concept
- ◆ help identify training requirements that will enable potential users to fully benefit from F<sup>3</sup> Factory approaches

Plus...an opportunity to tour the F<sup>3</sup> Factory demonstration backbone facility within the new INVITE Research Centre opening in September 2011.

To register your interest in attending this event please contact:
