

Members' Day 2011, Thursday 20th October The Platinum Suite, Reebok Stadium, Bolton. UK.

CELEBRATING 10 YEARS OF DELIVERING VALUE THROUGH INNOVATION

*2011 marks the tenth anniversary of the formal establishment of Britest Limited.
For our Members' Day event this year we are inviting all our members and guests
to join us in celebrating this important milestone.*

Key features of our Members' Day programme include:

- highlights of Britest's achievements over the last decade, focusing on how the organisation developed from a small UK collaborative research project to a global, pre-eminent authority in process innovation
- interactive case study poster presentations, focusing on how members have generated tangible business value from the use of Britest tools and methodologies
- key note presentations on some of the critical innovation challenges and opportunities for process design in the next decade and how Britest is responding to these.

Members: To confirm your place at our special anniversary event please contact:
